PROFESSIONAL SUMMARY

QA Engineer with 3+ years of experience primarily in Manual Testing with exposure to Automation using Java & Selenium. Strong expertise in test planning, test case design, defect management, and end-to-end validation of web and API applications. Experienced in Functional, Regression, Integration, and User Acceptance Testing within Agile/Scrum teams. Proven ability to collaborate with developers and business stakeholders to deliver stable, high-quality releases.

CORE COMPETENCIES

- Manual Testing & Test Case Design
- Functional / Regression / Integration Testing
- Defect Life Cycle & Jira
- Requirement Analysis & Traceability (RTM)
- API Testing with Postman
- Basic Automation – Selenium WebDriver
- SDLC & STLC
- Agile/Scrum
- Database Validation (SQL)
- Cross-Browser Testing
- Test Execution & Reporting

WORK EXPERIENCE

Inquipo Technologies - Bangalore, India | QA Engineer

July 2022 - October 2025

- Designed and executed comprehensive test cases, improving defect detection rate and reducing production issues by 20%
- Automated regression test suites using Java, Selenium WebDriver, and TestNG, cutting execution time significantly.
- Developed Data-Driven and Page Object Model (POM) frameworks for scalable automation.
- Built API automation framework using RestAssured with API chaining and Faker library.
- Performed API testing through Postman including validations, collections, and environment handling.
- Logged, tracked, and verified defects using Jira, collaborating closely with developers and product teams.

- Actively participated in Agile ceremonies – sprint planning, daily stand-ups, and retrospectives.

AWC Software Pvt Ltd - Noida,UP, India | SQL/PowerBI Developer *October 2019 - July 2020*

- Assisted in creating business intelligence reports aligned with client ERP systems.
- Supported manual validation and automated upgrades of reports to ensure data accuracy.
- Prepared clear process documentation enabling non-technical teams to operate efficiently.

TECHNICAL SKILLS

- Automation Tools: Selenium WebDriver, RestAssured, Postman
- Languages: Java, SQL, Python (basic), JavaScript, HTML
- Testing Types: Functional, Regression, Integration, API, Smoke
- Frameworks: TestNG, Data-Driven, POM
- Databases: MySQL, Oracle
- Tools: Jira, Git, GitHub
- Methodologies: Agile/Scrum

PROJECTS

Web-Based E-Commerce Application Testing Framework – Java + Selenium

- Developed a Selenium WebDriver automation framework using Java and TestNG following Page Object Model.
- Automated end-to-end functional and regression test cases for web application modules.
- Implemented Data-Driven testing using Excel/JSON and reusable utilities.
- Integrated framework with Maven and GitHub for version control.
- Performed cross-browser testing and generated TestNG reports.
- Executed validations using assertions, waits, and exception handling.
- Identified defects and logged them in Jira with proper severity and priority.

Web-Based E-Commerce Application Testing Framework – Manual Testing

- Involved in end-to-end manual testing of e-commerce workflows such as login, product search, cart, checkout, payment, and order management.
- Analyzed business requirements and created test scenarios and detailed test cases for maximum coverage.
- Performed Functional, Regression, Integration, and Smoke testing across multiple builds.
- Logged, tracked, and retested defects in Jira with proper severity and priority.

- Validated APIs using Postman including status codes, request/response, and data consistency.
- Performed database validation using basic SQL queries.
- Conducted cross-browser testing on Chrome and Edge.
- Coordinated with developers and business analysts in Agile sprints.
- Supported UAT and release verification activities.
- Maintained test execution reports and RTM for traceability.

EDUCATION

- B.Tech – Computer Science & Engineering, Graphic Era University, Dehradun – 2016
- Intermediate – Beersheba Sr. Sec. School, Haldwani – 2010
- High School – Aryaman Vikram Birla, Haldwani – 2008

KEY STRENGTHS

- Attention to detail with quality mindset
- Quick learner and adaptable
- Effective communication and teamwork

PERSONAL DETAILS

- Date of Birth : 13th December, 1992
- Marital Status : Married
- Hobbies : Football, listening to music, trekking
- Nationality : INDIAN
